

BATTERY APPLICATION WORKSHEET

Company Information

Company

Name	E-Mail	Department
Address	Tel.	Fax.

Physical Requirements

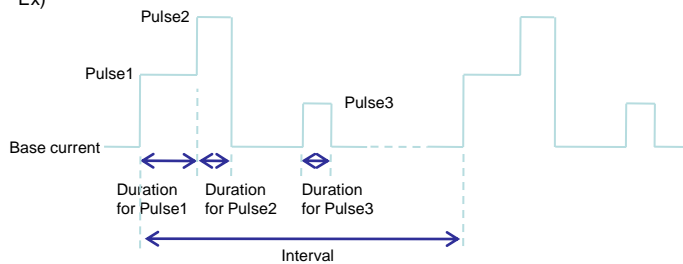

Battery type & Pack construction Li/SOCl ₂ , Li/MnO ₂ (series, parallel)	Application
Outer size (Length, width, height & diameter with the brief schematics)	Terminal or connector Cable

Electrical Requirements

Capacity	Expected life time	Cut-off voltage (Minimum operating voltage)	Maximum operating voltage
----------	--------------------	---	---------------------------

Current profile

Ex)

	Current (mA)	Duration (sec)	Interval (sec)
Base current		X	X
Pulse1			
Pulse2			
Pulse3			

Environmental Requirements

Storage Temperature (min, mean, max)	Operating Temperature (min, mean, max)
--------------------------------------	--
